NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

This has to be the strangest presidential campaign this country has seen in many a year.

Never have we seen two lesser known men battle for the highest office in the land. Oh sure, everyone knows the names of both of the candidates and probably even the names of the two vice presidential candidates. But still when you get right down to it we have two nobodies running for the chief executive position of this nation.

It is inconceivable to me that these are the best two candidates that the two major parties can come up with. We've seen candidates that we thought were stronger running for minor statewide offices in Texas.

It was easy to see how the Republicans came up with Gerald Ford but for the life of us we can not understand why the Democrats could not do better than Jimmy Carter. Carter may turn out to be the greatest president this nation has ever had but none of his credentials would indicate this.

This was one year that we thought that the Democrats could nominate anyone and take the White House in a walk but Carter has proved that theory wrong. He may still get there, but it won't be any cake walk.

This is also one year that it would be nice to be one of those party faithfuls who will vote for anyone as long as they have the party tag stuck on them. Then if you are a Republican you just go vote for Ford and the rest of your party's ticket and if you are a Democrat then you vote for Carter, etc.

This would be fine if you have the blind faith in the party hacks who run the system and knew for sure that it did not matter who was president as long as he carried the right party label. But when the two parties can not come up with any stronger candidates than we have this year, then you have to question the parties system of selecting its candidates.

Of course, questioning the system this year does not solve the immediate problem, one must still pick out one of the two candidates and vote for him. Really, you do have two more choices, you can vote for one of the other minor candidates or you can just not vote. But this is not the answer for most Americans who believe enough in the system to go to the polls regularly.

When you get right down to picking between the two candidates, you find it much easier to find reasons not to vote for one or the other than you can find reasons to support one of them.

About the only two things that we can see Ford has going for him is the fact that he has been in office

Ex-Students Re-elect Officers for New Year

Officers of the Hamlin Ex-Students Association were re-elected to a second term climaxing the 22nd annual Homecoming here Friday and Saturday.

After a full weekend of activities, a fish fry Friday evening, queens' coronations at halftime of the winning football game with Paducah, the ex-student aftergame coffee, Saturday morning parade, luncheon and business meeting, the officers were again voted into office.

The officers are Sam Mack Hodges, president; Holman Jones, first vice president; Mrs. W. T. Johnson, second vice president; Mrs. Sam Mack Hodges, treasurer; Mrs. Parker Kelley, reporter; Mrs. Ken Prewit, Mrs. Holman Jones, Mrs. Cliff Reynolds Sr., Mrs. Robert Fowler, Mrs. Bill Smith and Mrs. John Ed Day, secretaries.

Elise Kelley, a senior and daughter of Mr. and Mrs. Parker Kelley, was presented as high school Homecoming Queen. In high school she is a third year band majorette, has received the Rotary Award two years, is band secretary, Senior Class reporter, National Honor Society president; FHA second vice president, member of annual staff and Senior Piper Queen.

Other Homecoming Queen nominees were Barbara Hooper, DeDe Young and Pamela Absher.

Mrs. Minnie Barnett Willingham, class of 1916, was the Exes Homecoming Queen. She has only missed one Homecoming in 22 years. This year, she made a point of returning home a few days early from a trip to visit her son in order to be here for Homecoming.

The 1976 Homecoming program was dedicated to T. C. Blankinship, longtime teacher of Vocational Agriculture in Hamlin Schools. He is now retired. He was unable to attend the meeting because of the serious illness of a brother.

Jim McCurdy of Abilene was master of ceremonies. Luncheon music was presented by Lisa Howard, a senior.

Entertainment was by the Hamlin High School Stage Band.

The Rev. Howard Marcom, pastor of First United Methodist Church, gave the invocation. Marvin Carlton, principal of Hamlin Middle School, gave the welcome.

The memoriam, in honor of deceased ex-students, was given by Mrs. Holman Jones. A scholarship is given each year in honor of the deceased students. This is provided by donations to the fund in memory of the deceased.

At the business meeting, Mrs. Willingham was introduced by Mrs. Jones and Allen Young, president of the Senior Class of 1977, introduced Miss Kelley.

high school Homecoming Queen.

Classes from 1911 to 1976 were recognized. Sam Mack Hodges and Pinky Sellers of Sweetwater gave presentations for the oldest ex present, Mrs. Minnie Willingham; the oldest teacher present, Mrs. B. H. Gardner; largest family graduating in attendance, the Raleigh Reynolds family with five present; oldest Hamlin resident ex attending every Homecoming, Mrs. C. R. Reynolds Sr.; oldest ex attending every Homecoming, Brad Rowland; and the ex traveling the farthest, Mrs. W. L. Browning of Cool, Calif.

She is the former Hannah Margaret Hudson of the Class of 1936, daughter of the late Mr. and Mrs. C. D. Hudson.

O. H. Weaver presented parade awards in the school division to the eighth grade, first; Senior Class, second in beauty; and to the Junior Class, first; Freshman Class, second; and Sophomore

Class, third in the open competition.

Club and organizations winners were Beta Theta, first in beauty; Assembly of God Church, first, Girl Scouts, second; and Cub Scouts, Den 1, third; in open competition.

The Girls Scouts won the overall theme prize.

Bicycle winners were Jason Poe, first; Chuck Connally, second, and Jennifer Werner, third.

Window decorating contest winners were Hamlin Art Club, first; Student Council, second and FFA, third.

The program was closed with the singing of the Piper Song led by Mrs. Ronnie (Latrice Williams) Nelson with Mrs. George (Carol Joe Simpson) Werner as the accompanist.

The Ex-Student Association officers express thanks to all committee chairmen, members of committees and all exes and Hamlin residents who helped with Homecoming plans and activities.

Sylvester Sets Homecoming

The Sylvester Exes Homecoming will be held Nov. 6 at the Community Center in Sylvester on Highway 57. This will be the first Homecoming in 14 years and many addresses of former Sylvester students have been lost.

Those planning the reunion need to know who will be planning to attend so that they can make arrangements for a catered meal at noon.

Those planning to attend are asked to notify Mrs. Ross Douglass, Box 44, Sylvester, Tx. 79560 as soon as possible. Addresses of former students are needed, also.

A program is being planned for the afternoon.

Pipers to Travel to Aspermont To Play Injury Ridden Hornets

The Pipers will be seeking their fourth District 7-A victory Friday night when they travel to Aspermont to take on the Hornets. The Hornets, plagued by injuries, are still seeking their first district win, having lost to Haskell last week, 56-0.

The Pipers struggled for three quarters before defeating the Paducah Dragons, 27-6, here Friday night. The Pipers are now 5-1 for the season and the Hornets are 2-4.

The system is expected to be in operation by the first of the year, according to Robert Fowler, Mayor. He said that the city will finance the purchase through the Farmers and Merchants National Bank and the council hopes that the saving in labor costs will pay for the system over the next few years.

The system is a side loading one with one man in the truck handling the complete operation. The city is presently using three men to do the job of collecting the city's garbage.

Present plans call for one three-yard container for every four homes in the more thickly populated areas with the smaller units being placed where at least four homes do not meet at a common point in the alley. No changes are planned in the weekly pickup service in the residential area and daily in the commercial area at this time.

The first of the units are expected to be delivered in about 45 days and the city plans to begin converting the system over as the units become available.

The council voted to appoint Ken Prewit to the Dangerous Building Com-

mittee to replace Delton Jackson who recently resigned. Others on the committee are Melvin Scott and L. J. Lee.

The council was told by a

representative of Yeatts and Decker, Inc., Consulting Engineers of Abilene, that the city's Wastewater Treatment Plant is about 45 percent completed.

The second phase of the fall Community Education Program will begin during the coming week with two classes getting underway, according to Carlton Taylor, director. Anyone who has not pre-registered for these classes may do so at the first class meeting.

A Self-Improvement class will start Monday with Mrs. Bettye Lawlis as instructor.

Mrs. Lawlis will cover

complexion care, makeup,

hair styling, nail care, and

fashions in the five-week

course. The class will meet on Mondays from 7 to 9 p.m. in the high school homemaking department. Fee for the

course is \$5.00.

BOOK PRESENTED TO LIBRARY—Mrs. Hazel Higdon, a Hamlin nurse who was recently named chairman of the Jones County Unit of the Northwest Chapter of The Arthritis Foundation, presents "The Truth About Arthritis Care" to Mrs. Robert Moore for Harden Memorial Library. Mrs. Moore is president of the Hamlin Woman's Forum, governing body for the local library.

Arthritis Unit Donates Book To Library

"The Truth About Arthritis Care" was given to Harden Memorial Library Monday by Mrs. Hazel Higdon, Chairman of the Jones County Unit of the Arthritis Foundation.

Mrs. Robert Moore received the volume as president of Hamlin Woman's Forum.

The book presentation was sponsored by the Foundation.

As Jones County Unit chairman, Mrs. Higdon is also presenting a "Primer on the Rheumatic Diseases" prepared by a committee of the American Rheumatism Association Section of the Arthritis Foundation, Seventh Edition, to each clinic in Jones County. The Hamlin doctors received a copy Monday and clinics in Anson and Stamford will be getting a copy, also.

The updated professional edition is distributed as a service to the profession by the Arthritis Foundation, 475 Riverside Drive, New York, N.Y. 10027.

The book given to the local library is a book for laymen to better understand the care

of those with arthritis. Early diagnosis and treatment is stressed and persons are warned about trying gimmicks which could waste valuable time and money by not seeking professional care in time to take preventative measures or receive necessary treatment while in early stages.

W. J. Stewarts Honored On Anniversary

Mr. and Mrs. W. J. Stewart were honored on their 45th Wedding Anniversary by their daughter and family, Mr. and Mrs. Bob Thomasson, Daryl and Rita of Abilene.

The noon luncheon Sunday was held in the couple's home, 43 N. W. Third.

Guests included Mr. and Mrs. Jody Ray of Carrollton; Mr. and Mrs. Jake Stewart, Mr. and Mrs. Clyde Priddy and David, all of Seymour; Mr. and Mrs. Charles Taylor, Mr. and Mrs. C. L. Roy Stewart, all of Lubbock; Bradley and Jeff Williams of Gail; Mr. and Mrs. A. G. Miller, Mr. and Mrs. Donald Stewart, Lester and Calvin, Mr. and Mrs. Ray Stewart and Paul and Ollie Stewart, all of Hamlin.

W. W. Fraziers Honored On 60th Anniversary

Mr. and Mrs. Warren W. Frazier of Aspermont were honored here Sunday with an all day reunion and dinner in honor of their 60th wedding anniversary hosted by the couple's children, grandchildren and great-grandchildren.

The reunion was held in the Hamlin Jaycee Community Building. Fifty-five relatives attended.

Mr. and Mrs. Frazier were married Oct. 15, 1916, in Haskell and have lived in Stonewall and surrounding counties most of their lives.

He was a barber and farmer and served three terms as Stonewall County sheriff and two terms as county judge,

retiring at the end of 1974.

The couple's children are three sons, J. W. Frazier of Muleshoe, Lee Owen of Aspermont and Frank Doyle of Farmingdale, S. D. and four daughters, Mrs. Raymond (Lula Faye) Hinze of Aspermont, Mrs. Jack (Eunice) Chambliss of Clyde, Mrs. Thomas (Billie Murel) Abbott of Red River, N. Mex., Mrs. Doyle (Afton) Ponder of Hamlin. One son, Darwin, is deceased.

Also assisting as a hostess was Mrs. Garland (Frances) Zuber of Abilene, a daughter-in-law.

The couple has 22 grandchildren and 18 great-grandchildren.

Mrs. McBride Hosts Literary Club Meeting

Mrs. L. H. McBride was hostess for the Friday afternoon meeting of Woman's Literary Club when Mr. Cooper, the executive director of White Face Home for girls, spoke and presented slides.

Cooper gave facts concerning the home and the slides were of the buildings and grounds and the girls who live there. There are three of these homes, one in Austin, one in Borger and one in White Face. Girls are from four years of age to college age.

Mrs. Fred Smith, president, presided.

Mrs. Loyd Burkhardt gave the invocation. Federation news was by Mrs. A. A. Hackley. Mrs. L. B. Bruner was program director. Mrs. Archie Carson led the Club Collect.

The next meeting will be Nov. 5 in the home of Mrs. W. A. Cassie.

Eighteen members of the class attended the reception.

Attending were Mr. and Mrs. John Poe, Mr. and Mrs. Rodger Bell, Pat Pope Jones and Holman Jones; Cindy Stephens Connally and Gary Connally of Hico; Jane Ferguson Guitar and Phil Guitar of Abilene; Glenda Hudspeth Willoughby and Pat Willoughby, Jackie Buske and Kay Hodnett Buske, Jimmy Hawkins of Dallas, Lavonia Haught Young, Sheila Stone Reed and Marion Reed of McCauley; Mr. and Mrs. Mike Rountree of Breckenridge; Judy Jenkins of Dallas; Sheri Witt Walton and Stan Walton of Lubbock, Patsy Sauls George, Janice McCracken Sikes of Abilene; Ann Hale Priddy of Abilene and Margie Young Cannon and Jerry Cannon of Rule.

Have A Safe Halloween

Today, Halloween is intended as a time of fun, but smart parents know that there are some precautions they should take.

A LIGHTED PUMPKIN can be safely lighted with a flashlight instead of a candle.

These guidelines are presented to schoolchildren and their parents as part of the Junior Fire Marshal program of fire prevention and safety education sponsored by The Hartford Insurance Group, in elementary schools across the nation.

- If you use a jack-o'-lantern to decorate your home, it is better to light it with a flashlight than with a candle.
- If you do use a candle keep the jack-o'-lantern out of reach of youngsters.

- Be sure the costumes your children wear are not flammable.
- Have your children carry a flashlight if they go out after dark.

- Children who will be out at night should have reflective tape on their clothing and costumes.

Debra Holden, Donny Griffith Plan Wedding

Mr. and Mrs. Willis Barnes Holden are announcing the engagement and approaching marriage of their daughter, Debra Kay, to Donny Ray Griffith of McCauley, son of Mr. and Mrs. J. N. Griffith of Stamford.

The couple will be married here Nov. 19 at 7 p.m. in the Church of the Nazarene.

The bride-elect is a senior in Hamlin High School. Griffith attended Anson High School and is employed by Big 3 Pork Producers of McCauley.

Returns Home

Mrs. Tom Routh returned home Friday after being gone for three months. Following a two-week stay in Midland Hospital after undergoing hip transplant surgery, she has been recuperating at the home of her daughter, Mr. and Mrs. W. E. Brown of Midland, and in the home of Mr. and Mrs. Leslie Sheburne of Snyder.

Senior Citizens Tour Lueders

Encampment

Twenty-five senior citizens, the "Peppy Pipers," spent Wednesday at Lueders Encampment Grounds on a trip planned by Mrs. Carl Thompson, senior citizen coordinator for Jones County.

Rev. Neal Shepherd, superintendent of the encampment, took the group on a tour of the grounds, showing them the new dormitory, prayer garden and other places of interest.

Before lunch he delivered a message in the J. Henry Littleton Chapel.

The noon meal was served the guests in the dining room. The afternoon included games of 42 for some and others took a stroll down the river and enjoyed meditating and singing at the riverside worship setting.

Mahaffey Family Holds Reunion Here

The families of the late Mr. and Mrs. Jim Mahaffey met in the Hamlin Jaycee Building Oct. 9 and 10 for their first reunion. Mr. and Mrs. Mahaffey moved to Fisher County in January, 1908, from Scurry County. They bought a farm about one-half mile west of Celotex and lived there and raised their five children.

Lillie Mahaffey Cornelius and her husband came from Greenville. She had not been here since they moved to California about 35 years ago. She is the daughter of the late Will Mahaffey, who died in October, 1935.

A son Roy lives in Abilene and another daughter, Allie Mahaffey Bailey lives near Lubbock. The other children are Evalee Mahaffey Bailey who died in December, 1935, and Tom who died in August 1972.

Children, grandchildren and great-grandchildren attended from Slaton, Shallowater, Roby, Rotan, Hobbs, Stamford, Seymour, Abilene, Haskell, Throckmorton, Batesville, Ark., and Hamlin.

Plans were made to have a reunion each year.

3 Generations Gather for Homecoming

Every member of the three generations of the Raleigh Reynolds family visited here for homecoming and also in celebration of birthdays of both Mr. and Mrs. Reynolds.

After attending the exes business meeting and luncheon, a reunion was held at the home of Mr. and Mrs. Steve Reynolds, Stevie and Todd.

Those present were Mr. and Mrs. Larry Reynolds and their sons, David and Mr. and Mrs. Gordon Reynolds, all of Austin; Mr. and Mrs. Joe Dean and their daughters, Connie and Mr. and Mrs. Barry Fields, all of Groom; and Mr. and Mrs. Warren Reynolds, Shanna and Danna Tankersley of Rotan.

Acteens Hold Party for Mrs. Stubblefield

Mrs. Bobby Stubblefield was honored with an appreciation party Monday afternoon by the Acteens of the First Baptist Church. She was presented gifts in ap-

preciation for work with the girls for the past four years.

The Fellowship Hall was decorated by all the girls attending in colors of yellow and white.

Cake and punch were served to Rita Maberry, Gayla Bockman, Stephen Haught, Joye Horton, Arlene Thomas, Lorna Pharis, Kathy Prewit, Kelly Clea, Teri Weaver, Shawna Slaughter, Laetta Scifres, and leaders Donna Bockman and Debra Brown.

Phebean S.S. Class Holds Housewarming

Phebean Sunday School Class of First Baptist Church met Oct. 12 in the home of Mary Holmes for housewarming and took gifts and refreshments.

Georgia George presented a poem.

Others attending were Raye Gregory, Zelma Perryman, Lillian Greer, Bettye Miller, Mildred Weaver, Clara Harvey, Mayme Deel, Dorothy Albritton, Lynn Parker, Mildred McDonald, Maggie Wainscott and a guest, Flossie Pace.

Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication.

FIFTY YEARS AGO

(October 22, 1926)

There will be no more free burying in the East Cemetery of Hamlin.

The old plot is about full and we are deeding the remainder to the Hamlin Cemetery Association. Those burying in the future must consult or make arrangements for grounds, from the Hamlin Cemetery Association.

Those who have reserves in the Hamlin East Side Cemetery, must see W. A. Nobles or L. K. Malone, on Monday, November 12, at the Cemetery at 1 o'clock and place stakes and names on their lots.

This will be the last notice and if ground is not staked on that day, the same will be transferred to the Hamlin Cemetery Association for sale.

Last week's Herald closed in the midst of unusual long heavy rains. The country to the east and northwest must have received even more than in the Hamlin country as most all bridges were washed out on streams that rose higher than ever in the last twenty years.

The Orient railroad bridge on the Brazos went out. The Spur railroad lost a bridge near Sagerton, and the highway bridge between Hamlin and Aspermont is gone. This last bridge severs connection with Hamlin and Aspermont and most of Stonewall County.

The rains were said to be seven inches in some sections north and northwest. The highways have been in an almost impassable condition. City streets are more like "road of early blackland days." But with all the rains, the loss of bridges and the stopping of cotton picking, it is clear and cool again and its looks like fall has started to dead earnest.

For several weeks there have been complaints in this section concerning the cost of getting cotton pickers.

Tuesday Hon. Lee Tarpley, Chief Labor Commissioner, reports that there are sixty-five licensed labor agencies in Texas. That these are not permitted to charge more than THREE dollars per head, that they must keep a list of men furnished, must keep their license displayed for inspection. He reports a "perfected ring" of labor bootleggers and that it is hard to secure labor without operating through this ring of unlicensed agencies and truck drivers. All over the state the Labor Department is exerting strenuous efforts to stop this practice. It is reported that farmers have paid as high as FIVE dollars for hands and on top of this is transportation and board. It is said that if a party wants a bunch of Mexicans and goes to San Antonio for them and thinks he has a bunch, of say FIFTY, to be at a certain corner, that when he goes for them they are not there unless certain fellows bring them and get a fee for their services.

TWENTY YEARS AGO

(October 25, 1956)

Homecoming queen of the recent second annual gathering of ex-students of Hamlin High School was Mary Jo Hubbard, daughter of Mr. and Mrs. Travis Hubbard. She was crowned by Cliff Reynolds Jr., president of the HHS Ex-Students Association in rites on the football field between halves of the game between Colorado City and Hamlin. Flower girl was Sally Carlton and crown bearer was Cyndie Bryant.

Commercial building projects in Hamlin have continued to bustle in recent weeks, and the sky-line is reflecting expansions that keep the eyes of gloom chasers on this Northwest Jones County metropolis.

Underway now for several weeks has been a new cotton storage warehouse for Jay Storage Company, just west of the Katy Railway depot on the north side of the tracks, and another major business concern is the projected new feed mill of the Fred B. Moore Grain Company just south of the Moore elevator.

Hamlin High School Pied Pipers improved their game percentage Friday night when they beat the Class A Albany High School Lions to the tune of 31 to 13 on the Albany griddle. It made four wins out of seven games for the Nix-men.

Scoring for the Pipers were Doug Ford in the first quarter. Four touchdowns in the fourth quarter were scored by Herbert Lakey, halfback, Virgil Wilson on a pass from Quarterback Don Adair and on a 30-yard off tackle for two scores, and Doug Ford again through the middle for 18 yards. Kicking the extra points was Charles Jenkins.

About two weeks of "winding up" work remains to be done on the new \$150,000 high school gymnasium, contractors on the job indicated this week.

Tile and wooden flooring, some plumbing finish work, painting and electrical work constitute most of the work to be done.

A tentative open house has been set for Monday evening, November 12, according to Superintendent of Schools C. F. Cook.

Jackie Drummond, son of Mr. and Mrs. G. W. Drummond of Route 1, Hamlin, has been selected commanding officer of Company F

"Don't part with your illusions. When they are gone you may still exist, but you have ceased to live."

in the Tarleton State College ROTC of Stephenville.

Drummond holds the rank of captain. He is a 1955 graduate of Hamlin High School, and is majoring in business administration.

TEN YEARS AGO

(October 20, 1966)

Vicki Newland was named sweetheart of Hamlin High School Band and was honored in halftime ceremonies Friday evening. John Osborn, band president, placed the crown, and presented her with the traditional bouquet of red roses. Other nominees were Pam Holtz, Sue Roddy and Margaret Ann Johnson. Vicki, a senior, is the daughter of Mr. and Mrs. Bo Newland.

Thirteen boys received trophies for the top three places in the five divisions of the Punt, Pass and Kick event staged at Piper Stadium Saturday morning. First place winners in each division were Eight year olds, Gerald Rodgers; Nine year olds, Jimmy Carlile; Ten year olds, Tony Franklin; Eleven year olds, Ronnie Maberry; Twelve year olds, Larry Early.

Officers for the Wa Can Ki Ya Camp Fire Group were reelected Tuesday at the regular meeting held at the Camp Fire Hut.

Officers include Luann Shira, president; Elaine Kelly, vice president; Leigh Ann Vaughan, secretary; Jeri Ann Waggoner, treasurer; and Sharon Hughes, reporter.

Others present were Pamela Waggoner, Marilyn Stewart, Mitzi Hunter, Cindy Witt, George Ann Pruitt, and Valynna Skaggs.

Celebrating birthdays for the week of October 20-26 are Mrs. Harold Lee, Mrs. Buster Hart, Geneva Ward, Mrs. Frank Losier, Stella Elkins, Claude Blankinship, Shelley Holtz, Stacy Jane Bonds, Jana Ferguson, Gary Cauble, Inez Ferguson, Peggy Jane Bonds.

The Pipers, still smarting from their fourth quarter loss to Colorado City last week, will travel to Winters Friday night to take on the Blizzards. It will be the second district game for both teams with Winters owning a 31-3 win over Haskell.

After being plagued with injuries most of this year, Coach Youngblood said this week that he expects to have most of his players back this week for at least limited service. Phillip Simpson, Larry McCoy and Lewis Shelton are being counted on for some action this week.

for two years and we are still surviving and the other is his efforts to cut back on federal spending.

As for Carter, about the only thing that we can see going for him is the fact that he is the candidate of the nation's largest political party. We have watched both debates and have read as much as we could about the man and his ideas and we still do not know where he stands. Since he first entered the race for his party's nomination nearly two years ago down to today, the man has changed gears more than an 18-wheeler going over the Continental Divide.

One thing you can say for the man, he took a simple, one-sided, walk-in race and turned it into a cliff-hanger.

We have always wondered about the undecided in all of the major polls but we are beginning to understand them more this year. Just hope that we can reach a decision before it is time to put that mark on the ballot Nov. 2.

For the benefit of you salad lovers we would suggest that you eat all you can as soon as you can because from what we read lettuce is going to get higher than coffee.

The price of an ordinary head of lettuce was going for \$1.04 per head in Hereford the other day. With widespread crop failures in California, Texas lettuce is skyrocketing.

Word is that some Hereford lettuce farmers are averaging \$10,000 per acre which is one 'heckuva' cash crop.

Time to Pray...

Life can be so full and active... There are the school hours, time for study, and for a growing child there must be recreation. Also a time for eating is necessary, and a time to be with the family. One of the most needed times is to be with God in prayer. There are times that we should give thanks to God for our food, and times to seek his guidance and watch-care, and there are times to pray with others. This we can do by attending church.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Even when care label instructions are followed perfectly, consumers may find problems occurring with home laundry, Necy Wilburn, County Extension Agent says.

Some of these problems are shrinking, tearing, fading, loss of fabric body, and mysterious spots appearing on the clothes, she added.

"Many troubles often relate to fabric quality and performance, rather than clothing care practices, but proper laundry procedures can lengthen the life of garments and produce cleaner clothes."

To reduce garment shrinkage, look for shrinkage control guarantees on labels when buying clothes and avoid using hot water and high-drying temperature, she advises.

"Shape may be restored to some garments by blocking them while wet. But when garments have not been properly preshrunk by the manufacturer, little can be done to prevent shrinkage with the first wash. In fact, some fabrics, especially knits, have a progressive shrink which causes them to shrink with subsequent washings," she said.

Tearing may be caused by over use of chlorine bleach, overloading machine, too low water level, garments not mended before washing, and hooks and zippers not properly closed or fastened.

Fading problems can be reduced by checking labels for colorfastness information

when buying and by avoiding use of chlorine bleach and hot water on colorfast clothes.

"Loss of fabric body is usually a fabric performance problem. Finishes which are applied to garments by manufacturers are sometimes only temporary and are removed by the first washing.

"To remove the stain, treat garment with a rust remover and rewash. To prevent such stains, install an iron filter and use a water conditioner to suspend iron particles," the agent suggested.

SAFETY FOR CHILDREN

Young people who want to help prevent fires during Fire Prevention Week (October 9-15) and all year long, can join the Junior Fire Marshal program sponsored by agents of The Hartford Insurance Group. Junior Fire Marshals take this safety pledge:

YOUNGSTERS CAN TAKE THE PLEDGE—to help prevent fires.

I will never play with matches.

I will never start a fire.

I will tell my friends not to play with matches.

I will never go near a fire unless a grown-up is with me.

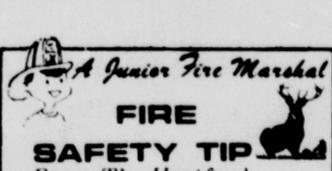

I will never use the stove unless my mother says I may and only when she is right there with me.

I will learn what to do in case of fire.

I will learn how to turn in a fire alarm.

I will never turn in a false alarm.

I will always be a good Junior Fire Marshal. I will try to make Mom and Dad, my teacher and our firemen proud of me.

Abilene Schools To Host College Night Oct. 28

Junior and senior students of high schools in the Big Country who are planning to go to college and the parents of these students will have an opportunity to meet and talk with representatives from various colleges, universities, and vocational training schools at a college night program at Cooper High School on Thursday, October 28, at 7:30 p.m.

Representatives from thirty institutions have been invited. In addition, representatives from the Army, Navy, and Air Force ROTC programs and a representative to discuss Financial Aid will participate in the program.

The evening program will begin in the auditorium where Max Whitley, President of Cooper High School Student Council, will preside. Dr. Lewis Lemmond, Assistant Superintendent for the Abilene Independent School District, will welcome the students and parents.

Following the general meeting in the auditorium, each student and parent will have an opportunity to attend three discussion groups of thirty minutes each to obtain information about three different colleges in which they are interested.

College representatives will discuss entrance requirements, application procedure, estimated yearly cost, courses of study, types of housing available, financial aid, and other topics of concern to students and parents.

Pipers Struggle For Three Quarters With Paducah Before Winning, 27-6

The Piper offense struggled with the Paducah defense for nearly three quarters here Friday night before finding the right combination to give them a 27-6 homecoming victory. Fortunately, the Piper defense did not have as much trouble with the Dragons and held them in check most of the night.

The Dragons did manage to come up with the distinction of being the first District 7-A team to score on the Pipers this year but even this could be blamed more on the offense than on the defense. The Piper offense coughed up the ball three times on fumbles with one of them on their own 19-yard line and this one led to Paducah's only score.

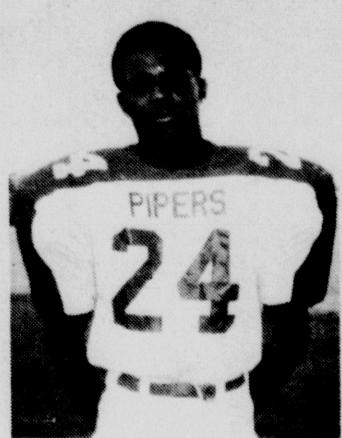

The Pipers struggled for almost all of the first half trying to find a consistent way to move the ball against the Dragons. They finally managed to come up with seven points as the clock signaled an end to the first half.

It was the play of Charles Brown that finally sparked the Pipers to their first touchdown. The senior defensive safety, playing on a bad ankle, picked off a Paducah pass with 29 seconds left in the second period. Four plays later he caught a 19-yard aerial from Quarterback Paul Reynolds for the touch-down.

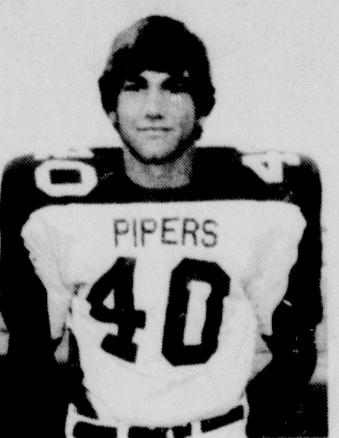

The Pipers went on to score three more times but it was not until late in the third quarter that they could get their offense rolling.

Switching over to the Power I formation, the Pipers started sending their two big running backs, Delbert Thompson and Stanley Jones, pounding into the line for big gains and their final three scores.

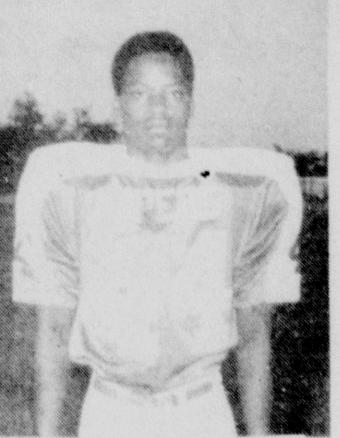

Thompson was the night's leading ball carrier with 183 yards in 29 carries and Jones picked up 41 yards in 17 trips. Paducah's Bryan Walker led his team in rushing with 42

yards in 15 carries with Dragons only netting 58 yards in rushing for the night.

The Pipers kicked off to the Dragons to open the Homecoming contest and forced Paducah to punt after gaining nine yards in three plays. Taking over on their own 30, the Pipers moved to the Paducah 39 in only five plays but then could only pick up four yards in their next four plays and had to give up the ball.

Paducah fumbled on first down with Thompson recovering it for the Pipers at the Paducah 26. But again the Pipers found the Paducah defense too much and only netted two yards in four plays.

Aided by two big penalties, the Dragons moved from their own 24 to the Hamlin 29 to offer their first serious threat of the game. But it was the Piper defense's time to make a stand and the Dragons ran out of downs four yards short of a first down.

Pipers could pick up only six yards and had to punt. Completing two big third down passes, the Dragons moved back down to the Hamlin 27 before they started going backwards.

The combination of three penalties and a quarterback sack cost the Dragons and they ended up punting from back on their own 43.

A short nine-yard punt gave the Pipers the ball on their own 49 but they could not gain a first down and had to punt to the Paducah 18. Three plays later Thompson picked up his second fumble recovery of the night at the 18. But the Piper offense lost 17 yards in four plays to give up the ball again at the Paducah 37.

Brown picked off a Dragon pass on first down and with the aid of a 15-yard penalty the Pipers took over on the 36. Thompson ran the draw play for 17 yards to the 19-yard line. Brown took a pass from Reynolds for a yard loss and then the Pipers had another pass go incomplete. With two seconds left on the clock, Reynolds connected with Brown in the end zone for the final six yards and the score. Jones kicked the point

Mack Lee returned the kickoff back to the Piper 29 and with the aid of two 15-yard penalties, the Pipers drove 70 yards in eight plays to score. Thompson powered his way into the end zone for the final six yards and the score. Jones kicked the point

and the Pipers went to the dressing room with a 7-0 lead.

The two teams spent most of the third quarter exchanging punts and fumbles with Paducah finally gaining field position on the Pipers when they recovered a fumble at the Hamlin 19.

Quarterback Lee Jack Tippen passed to Stewart Burns for 13 yards to the six and then kept the ball around his left end on the next play for the score. His pass for the two points was knocked down and the Pipers held on to their 7-6 lead with 4:12 left in the third period.

Mack Lee returned the kickoff back to the Piper 29 and with the aid of two 15-yard penalties, the Pipers drove 70 yards in eight plays to score. Thompson powered his way into the end zone for the final six yards and the score. Jones kicked the point

The Hamlin girls' volleyball team lost to Colorado City Oct. 14

In the first game Colorado City beat Hamlin 15-8. The second game saw the Pipers come back 15-7, although C-City took the third game and the match 16-14.

The Hamlin JV's battled out a 14-6 loss to the Wylie JV's last Thursday evening at Wylie with Jackie Cork scoring for the Pipers on a 62-

yard run in the last few minutes of the third quarter.

The Hamlin JV's record for the year is 2-4.

after with 12:09 left in the period.

With the help of a pass interference call and a 15-yard penalty, the Dragons moved to the Hamlin 30 before giving up the ball on downs.

The two teams exchanged fumbles on the Paducah end of the field with Hamlin ending up with the ball on the Dragon 25. Jones carried for three yards and then Thompson carried three times for gains of 3, 12 and 7 yards. The final seven-yard carry was around left end and was good for the score. A bad snap cost the Pipers the point after and they led 20-6 with 8:59 left in the game.

Paducah moved from their own 23 to their 41 following the kickoff but a fourth down gamble failed and the Pipers took over at the 41. It was Thompson and Jones again for the Pipers as they drove the 41 yards in seven plays with Thompson scoring over right tackle from the one. Jones added the point after with 2:16 left on the clock.

Paducah picked up one first down before Brown picked off another Tippen pass as time ran out.

for your
Home Laundry**

★ Avoid wasting hot water while laundering. Use the cold and warm water settings as much as possible to cut down on the energy needed to heat water.

★ Use the water level control on your washer. You should use less hot water for small loads.

★ Follow detergent instructions carefully. Over-sudsing makes your washing machine motor work harder than it needs to.

★ Clean the lint filter on your washer and dryer after each load to keep your machine running efficiently.

LEGAL
NOTICE AFFORDING
OPPORTUNITY FOR
PUBLIC HEARING

The State Department of Highways and Public Transportation is planning the construction of F. M. Highway 3339 in Fisher County from State Highway 92, 2.1 miles west of F. M. 540, southeast 5.1 miles to F. M. 2142, following existing county roads except at two curves.

The proposed highway will be a two lane road with an asphalt paved surface 20 feet wide within right of way 100 feet wide. No homes or businesses will be displaced because of this project.

Maps and other drawings showing the proposed location and design, environmental studies, and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's Office at 249 N. Central, Hamlin, Texas. Also,

the maps and drawings showing the proposed location and design have been placed on file with the Fisher County Judge at the Fisher County Courthouse, Roby, Texas.

Information about the State's Relocation Assistance Program, the benefits and services for displaced, and information concerning the relocation assistance office as well as information about the tentative schedules for acquisition of right of way

and construction can be obtained at the Resident Engineer's Office.

Any interested citizen may request that a public hearing be held covering the social, economic, and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's Office on or before November 22, 1976. The address of the Resident Engineer's Office is P. O. Box 507, Hamlin, Texas, 79520.

If such a request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing.

Fertilization of Small Grains Urged By Agent

Fertilization of small grains at planting is essential for a good root system, early grazing and profitable grain yields, contends Kirby Clayton, county agent for the Texas Agricultural Extension Service.

Other than moisture, the supply of available plant nutrients in the seedling foot zone is the major factor affecting early growth.

The rate and method of fertilizer application is especially important for soils low in phosphorus, points out Clayton. Numerous research studies have shown that a high level of available phosphorus is needed in the seedling root zone for rapid plant development.

If phosphorus is drilled with the seed or in a band beside the seed row, a lower rate is needed to maintain this high level of readily available phosphorus as compared to broadcasting.

However, with broadcast planting, also broadcast the fertilizer and disk it into the soil, he said.

Nitrogen is also essential for early small grain growth but can be topdressed after the stand is established, says Clayton. Not more than 10 to

15 pounds of actual nitrogen should be applied with the seed although more can be put in a band beside the seed row or in the soil before planting.

The total amount of nitrogen needed depends on grazing management, moisture and other conditions that affect the amount and rate of growth. From 60 to 80 pounds of actual nitrogen per application should be considered. As many as three applications can be used, especially for a long grazing period that might be obtained from an oats-rye grass mixture or other combination.

If potassium is needed for small grain production, it should be applied at or before planting, with the amount based on a soil test.

Give Program
For DE Classes**

Mr. and Mrs. Luther Haught were recent speakers to the Distributive Education classes at Hamlin high school. Haught, manager of Piggly Wiggly Supermarket, talked to the pre-employment lab on the food stamp program.

He explained how the program operates and how to handle food stamps in checking a bill of groceries.

Mrs. Haught, who is also employed by Piggly Wiggly, also spoke to the Co-op class concerning the food stamp program.

The author of a dental survey says the fear of "being hurt" compounded by a fear of "the unknown" are two reasons why a child's first dental appointment can be a very traumatic experience.

Eddie Andrews Graduates From Patrol Academy

Eddie Andrews, 33, of Abilene, was graduated Oct. 7 from the United States Border Patrol Academy at Los Fresnos, and will perform duties as a Patrol Agent in the Del Rio, Texas Border Patrol Sector.

Patrol Agent Andrews was a member of the 11th Session of the Border Patrol Academy and was one of 60 new officers successfully completing the intensive Academy course in Immigration and Nationality laws and regulations, Spanish language, duties and authority to act, court procedures, constitutional rights, physical training, and other studies involving the duties of patrol officers.

He is the son of Mrs. Gladys Henderson of Hamlin.

He served with the U.S. Army from Jan. 1967 to July 1973. His duty assignments as a Chief Warrant Officer Instructor Pilot, included two tours of duty in Viet Nam.

Andrews is married to the former Pat Green of Hamlin. They have two children.

Before his appointment to the Border Patrol, Andrews was a Flight Commander for Bell Helicopter Intl. of Isfahan, Iran.

Andrews was appointed from a register compiled in a nationwide competitive civil service examination offered periodically in local areas for prospective candidates

Local Pigeon Racers Take Wins

Area pigeon racers held their fifth race this past weekend with birds being released from Monahans in both Class A and B races.

Fifteen flyers took part in the races with 250 birds.

Philosopher Claims Politicians Are Not Nearly As Dumb As Some People Say

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes to the defense of politicians this week, perhaps.

Dear editor:

Some people are always criticizing public officials.

"What can you expect from a bunch of dumb Congressmen," they'll say. Or, "We're lucky we're not worse off than we are with those ignoramus about the same amount as before, with maybe a little added on for inflation."

There are times though when what we need is dumber government.

For example, as everybody knows, smaller, lighter cars are the thing these days.

Now these cars hadn't been on the road a month till a lot of legislators began to scratch their heads. They began to think, and when a politician begins to think, look out. He's thinking about one thing—money. You see,

McCaulley Rites Held Tuesday for A. H. Hennington

Funeral for Albert Hugh Hennington, 82, was held at 2

p.m. Tuesday at McCaulley Baptist Church. The Rev. George Caffey, pastor, officiated.

Born Feb. 10, 1899, in Baird, he was the son of the late Mr. and Mrs. Joseph Chilvers.

He married Lois Neal in Abilene Dec. 16, 1944. He was a machinist.

Survivors include his wife, Lois of Hamlin; one brother, Carl Chilvers of Dublin and one sister, Mrs. Bertie Vaughan of Fort Worth.

Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

Pallbearers were Port Williams, Roy Brown, Bryant Conner, Frankie Hall, Eddie Jay and Tom Pritchard.

What's in it for you, Stephen Beasley?

"Hagar the Terrible."

"And Dick Tracy, Peanuts, Blondie, Rick O'Shay, BC, the Wizard of Oz and ... news from around the world."

"I'm nine years old. I haven't been reading the paper very long."

The Abilene Reporter-News.

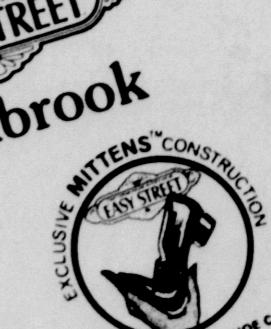

There's something in it for you.

"I started out with the comics. Then I started reading the ads so I can show my mom what I want that's on sale. But I'm learning to read the headlines and the news. And it helps me with writing and spelling in school."

"And you can quote me on it!"
